Boo Your Neighbor This October!

Join the fun of "Boo Your Neighbor" for the fourth year this October! To participate, pick up a "You've Been Booed" printout from the WOHA library, which includes instructions. Leave the printout and a treat for a neighbor. If you get booed, display the "We've Been Boo'd" sign on your door. The game encourages a pay-it-forward spirit: after being booed, choose two neighbors to anonymously deliver treats to.

National Good Neighbor Day is September 28th!

Every year on September 28th, National Good Neighbor Day encourages us to honor and appreciate our neighbors. It reminds us to reflect on the importance of being a good neighbor and to perform acts of kindness. This day highlights the potential for neighbors to become great friends and prompts us to express our gratitude for their presence in our lives.

Pet Report

Hi, I'm Poppy, and I'm 15 years old! I used to live in Colorado at a Boxer rescue (There's some debate about whether I'm actually a Boxer. Some people say I'm a "Terrier mix"). I got adopted by a pawsome person by the name of Lisa, and went to live with her, but I got attacked twice by a big dog there, and it landed me in the hospital. So, Lisa asked her parents if I could come spend my golden years in the Sunshine State, and boy am I glad she did!

I am now an official member of the Iandiorio household. My dad is the president of WOHA, so that makes me The First Dog! My people, Sam and Deb, cook special food for me, take me on super fun road trips, and walk me around the neighborhood so I can keep up with the goings on 'round here. My favorite thing about living here is that everyone is so nice to me. I feel so happy when somebody says "Hi, Poppy!" I say "hi" right back. You may see me sometimes on the boardwalk with my BFF Nancy. I like to take her out and introduce her to my fantastic neighbors. So if you see me, please take a minute for a chat or a pat. I'm the luckiest dog on earth.

Thank you Sheila and John for bringing our WOHA newsletter along on your summer adventures! Here they are, captured just before boarding a floatplane in Ketchikan, AK. Sheila even had the thrilling opportunity to pilot the plane over a mountain in the Misty Fjords!
